## Letter of Recommendation

### To Whom It May Concern,

On behalf of EPF, we express our gratitude and provide this letter of recommendation for Terra Promo, with whom we have been working for over a year.

During this time, the company's team has been managing our social media pages, including Facebook and Instagram. Their professionalism, responsibility, and deep understanding of modern communications have significantly strengthened our digital presence.

In the course of our work together, we have noted a significant improvement in the visual component of our content: publications have become more modern, dynamic, and stylish. Thanks to their strategic approach and systematic work, our subscriber count has grown by over 40%, which is a significant indicator of the effectiveness of their services.

We value our cooperation and highly appreciate Terra Promo's contribution to the development of the federation's digital image. We can recommend this team as a reliable and competent partner in the field of social media management and digital marketing.

Should you need any additional information, we will be happy to provide it.

Sincerely,

**European Powerlifting Federation**

SECRETARY GENERAL
